

FINAL / CULMINATING PROJECT SCHEDULE SUMMER 2017

Thursday- August 24, 2017

Classes will not meet for the purpose of instruction during final exam period

Summer quarter, all classes will schedule final / culminating project during the regular class hours and in the assigned classroom during the Final / Culminating Project Schedule.

Evening classes (after 4:00 pm) will schedule final / culminating project during final / culminating project period. Final / culminating projects generally are scheduled in the assigned classroom in **two hour** blocks.

Workshops and block program classes will develop individual examination schedules based upon the guidelines above.
